# Navarino Nature Center

# Facility Rentals

NAVARINO NATURE CENTER (NNC) is located in the southeastern section of Shawano County, within the 15,000 acre Navarino Wildlife Area (WDNR).

NNC leases a 40 acre portion of land within the Navarino Wildlife Area. Located at the nature center is a picnic area, picnic shelter, amphitheater, rustic restrooms, pump well, parking lot, fire ring, cabin and an all-season handicap accessible, educational building.

NNC recently went “Green” with the addition of Solar Panels and Geo-thermal for a more eco-friendly way to use energy.

The rooms in the facility include the great room, lobby with wildlife displays, conference room with fireplace and small store, full kitchen, mammal room w/3-D mural display and observation bee hive, office, two sets of public restrooms, and a wet lab to accommodate area school groups learning about environmental education subjects.

**There are several self guided trails at the nature center, including an auto tour of the Navarino Wildlife Area.**

**NNC Programs:** Navarino Nature Center staff may be able to offer a special program on a topic of interest to your group. Additional fees for these programs do apply. Contact NNC staff to discuss these options
